What could be more "Strayan" than a lamb dish?

Roast lamb has been declared Australia's national dish and is undeniable a big part of Australia Day!

... and it has been delicious!

The only alternative to lamb of course would be our fantastic Schnitzel!

**TASTY AND DELICIOUS
Austrian
CUISINE**

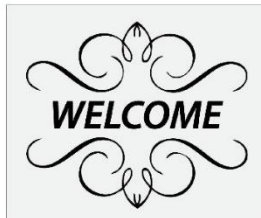

Österreichische Spezialitäten

We Austrians never wonder where the name comes from because we have been familiar with the word "Gugelhupf" since childhood.

However, if you think about it, this is a strange name for a cake. It consists of a reference to the word "ball" (germ. Gugel, Kugel) and to the word "bounce" (germ. hupfen).

So, perhaps it should remind us of a ball that bounces? This cake doesn't bounce at all. Instead, it stands Sunday after Sunday in all its splendour on the white lace covers of Austrian coffee house tables, calmly awaiting its fans.
