I'll

that!

You have to press the
Knoedl (dumplings)
between your palms
like that to make sure they're
nice and compact.

I wet my hands to stop
the dough from
sticking and shape
each dumpling into a
nice, round ball!

Two passionate chefs, can't stop talking about their love for food, even while having a break from their kitchen duties.

I am not sure, what Elfie and Karl are talking about, but for me it looks like they are discussing how to properly form dumplings!

Look at the sheer size of these Schnitzel!!!

Isn't he gorgeous!

Leo came in his cozy pair of slippers, because ...

... the club feels like home to him!

I have been told by someone close to him, that Leo just forgot to change into his proper shoes!

Thank you for all the beautiful Dirndl and Lederhosen and autumn colours as well!

Star Casino worker caught stealing \$11,000 worth of gaming chips

Did you see that on TV? We better watch our raffle tickets!

That's terrible!

A Sydney casino worker has been caught stealing \$11,000 worth of gaming chips. Security cameras at Star Casino captured the moment the male worker stuffed five of the chips into his sock.

WATCH OUT

Of course there hasn't been anything hiding in these socks, but look at the variety!

No worries, I will take care of the money!
