Winter Solstice Luncheon Sunday 20th June

Winter Solstice Luncheon 20/06/2021

You might have heard it through the grapevine already, yes Hans retired from the committee and I retired from my position as secretary of the club, but I am still a committee member.

Due to some health issues and increased private commitments it just became too much to handle for us.

I will still be around, creating the newsletter twice a month, taking your bookings and organise the seating at our luncheons! Nothing will change for you as a member or visitor!

But due to our decision the club is now in need of a new secretary.

Please read the job description below and contact us in case you are interested.

Club Secretary

Contact Us for
More Information

We are a volunteer-based, not-for-profit, combined sporting club and cultural club.

The important role of the Secretary is to support the committee, volunteers, and members.

This volunteer role reports to the monthly committee meeting, and does a variety of tasks that may take between 5-10 hours per week, as well as being at some of our fortnightly Sunday luncheons.

Desirable Attributes: • Strong organisational skills • Ability to communicate effectively • Good computer skills • Experience in a similar role

Administrative duties include (but are not limited to): • Primary contact for club general enquiries via phone or email. • Maintain Committee and Club records. • Monitor incoming correspondence/mail and when necessary, distribute to relevant committee members for action. • Complete meeting administration tasks including preparation of meeting attendees, minutes and agenda • Develop meeting agendas in consultation with other committee members and distribute prior to the meeting. • Communication to members on behalf of the Committee. • Attendance at monthly Club Committee meetings. • Other ad hoc administrative duties as required, including maintenance of liquor licences and keeping up with the latest COVID-19 requirements for the club.

The assistant secretary currently does some of these duties, and members of the committee would train our new volunteer and support them in the role.

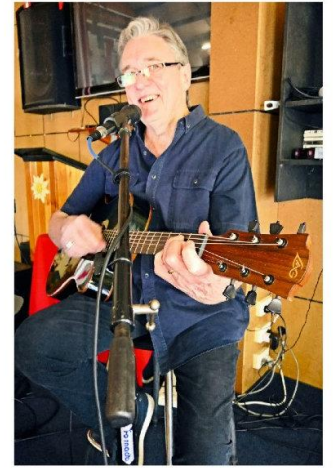

In case the position as secretary seems too time consuming consider to join as a general committee member. We are a great team but are in need of help and support through a few additional committee members.

Mark Burdon
 Set the date and come on down to the Clubhouse and enjoy the sounds of Mark. Bring your friends and family and make it a great day out

They all had so much fun dancing to ...

... Mark's fantastic tunes!
"I MARK MUSIC"

Winter Solstice Luncheon – 20/06/2021

After almost everybody had left we had the idea to practise the

Fliegerlied

with Mark's help!

I have to admit that I had forgotten the sequence of the movements after a more than one year break (and it wasn't just me).

It was hilarious and the plan has been to include the **FLIEGERLIED** and the **CHICKEN DANCE** at the next luncheon!

Of course this plan has been smashed! No dancing at all is permitted now!

Let's all do the right thing and hope that we can go back to (almost) normal soon.
