**You guys
ROCK!**

It's really hard to see people's emotions with a mask on.

We will have to learn to read people's eyes.

Eyes have never been so important. With compulsory mask-wearing part of our permanent armour against the COVID-19 virus, they are the gateway to our facial expressions and moods.

What can you see: smiling eyes or sad ones, playful or worried eyes, mischievous, joyous or lonely eyes?

Colleen and I had a ball!

Martin needed backup singers and we happily agreed to do our best. I am not so sure about the quality of the vocal harmony and the dance routines certainly needed some improvement but we had so much fun!
