What is "Leberkäs?"

What is Leberkäs? This southern German speciality is a rich, compact meatloaf made from finely ground corned beef, pork, bacon and onions and baked till it forms a dark brown crust.

Simply delicious!

Look at this!

But you can never go wrong with a Schnitzel either!

CHALLENGE

How do you get mustard out of a squeeze bottle?

Watch me!

It's easy! Just squeeze it!

I am not sure how this works?

???

Yellow mustard is made from white mustard seeds and uses turmeric for color. **Dijon mustard tastes more tangy and a little spicier than yellow mustard, which is more mild.**

Mustard is a condiment made from the seeds of a mustard plant. The whole, ground, cracked, or bruised mustard seeds are mixed with water, vinegar, lemon juice, wine, or other liquids, salt, and often other flavourings and spices, to create a paste or sauce ranging in colour from bright yellow to dark brown.

Karen got it!
