And a **HUGE thank you** to everyone for supporting **Daffodil Day**! All funds raised will be reinvested in **cancer research** for better treatment options and early detection methods.

**This coming Sunday we will have our Spring Fest.**

*Good Luck!*

Since a daffodil is the first flower to grow in spring, they've been a symbol of hope for years. Cancer societies and charities first began using the flower in the '50s and they've since caught on. Seventy years later, they're still around.

*Thank You.*

**Money raised from the raffle and sold merchandise goes toward funding life-saving research and prevention and aiming for a cancer-free future.**
