Oh, Beef Stroganoff .  
the ultimate comfort food!

### Origins of Beef Stroganoff

According to [Food Timeline](#), Beef Stroganoff may have first appeared in Russian cookbooks in the mid 1800s, presumably named for a prominent member of the Stroganoff family.

But where exactly did this delicious food come from? It's said to hail from Germany, and other sources have stated that its roots may be in Austria. That being said, this tasty dish is found in several countries throughout Europe, where it remains a staple to this day.

We urgently need volunteers to help with our functions and the Club.  
If you have some spare time and would like to help out in any of the following, please see anyone on the committee and let them know what you would like to help out with.

Any time offered, be it an hour here or there or more, will be greatly appreciated.

- ◆ **General secretary** (General secretarial duties)
- ◆ **Minute secretary** (taking of minutes at monthly meetings, emailing to committee)
- ◆ **Grant Researcher** (search for grants that are suitable for our club and what we need to fund)
- ◆ **Grant applications** (file applications for grants online as required)
- ◆ **Set up for functions** (help decorate the clubhouse for themed functions, set tables, etc.)
- ◆ **Kitchen Hand and Counter Service** (any help in the kitchen at a function or prepping on Saturday)

If you have any skills that you may think we need, please, let us know. You never know what we might need and you never know if you don't ask. THANK YOU

*Every little bit helps!*
