## The mysterious allure of the Nutbush and why the dance is uniquely Australian

In July 2022, 4084 people gathered at Queensland music festival The Big Red Bash to Nutbush, setting a new Guinness World Record for the most people doing the dance at one time (yes, there were previous records).

Theories abound on the internet as to how this happened. One is that the dance was taught in primary schools in Queensland as part of the state's physical education curriculum.

## Happy Mother's Day Joke

Who wins

The father of five children had won a toy at a raffle. He called his kids together to ask which one should have the present.

"Who is the most obedient?" he asked. "Who never talks back to mother? Who does everything she says?"

Five small voices answered in unison. "Okay, dad, you get the toy."

Congratulations!
