Aprons and Bows for Your Dirndl

Dirndl bows are used to show your marital status. If the bow is on the right, the woman is engaged, married or otherwise attached – so that means hands off guys! If the bow is on the left, the woman is single and she is free for guys to flirt with. If the bow is tied at the back, the woman is a widow. If the bow is at the front centre, the woman is either a virgin or she is unaware of the secret code of apron bows.
