**Enjoy!**

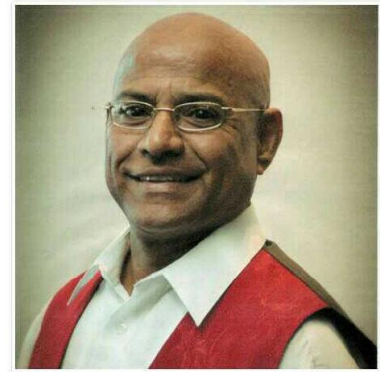

As you know from the last newsletter, Chris Harvie was supposed to entertain us at our Derby Day Luncheon.

Sadly, on the day we got the message, that Chris was in hospital with a critical health scare.

We wish you speedy recovery Chris and hope we will see you and listen to your great voice at another time at our club.

We have been in a bit of a predicament, no musician and the first guests arriving .... But, with the help of our member Gail and her connections to the Caldera Country Music Club Inc. (where she is the president), we found a great replacement.

Michael was getting the girls (and some men) on the dance floor with his music, dancing rock n roll and the twist and having so much fun. Thank you Michael for helping out at such a short notice

If you love country music have a look at Face Book – “Caldera Countrymusic” and see what they are up to.

The “Caldera Country Music Club Inc.” is on every 2nd Sunday of the month from 12noon to 5pm at the South Tweed Sports Club – a great venue.

Entry is free.

Gail is not only the president and her husband Steve the secretary of the club,

but Gail is also always one of the great entertainers.

Check it out – you will have a great time.

From this –

- to this!

This Sunday the popular **A2Z Duo** will play for us again. Early this year I introduced Zoltan (Z) to you. Today a bit of information about the other half, **Allan (A)**:

Allan was born in Budapest (Hungary) in 1952. He started to play the guitar at the early age of 13. When he was 16 his family moved to Australia.

In the "80th"

Young Allan started to play in original bands and "top 40 cover bands" mainly in pubs.

Allan in the "90th"

In 1985 Allan formed a 4 piece band called **Universal** which later became known as the **Horizon**. They played mostly at RSL and continental clubs.

Over the years they cut back to a 3 piece band and then 10 years ago Allan played the guitar together with keyboard player Mark.

When his partner Mark moved to Spain, Allan and Zoltan started playing together and became the much loved **A2Z Duo**.

The audience loves their music and it's almost impossible not to move your body to their well-known tunes.

Come this Sunday und you will know what I am talking about!
