doesn't matter – you always can have fun and enjoy yourself!

They definitely loved it!

Mila is a bit bored and doesn't know what to do next! Until Roberta asks her ...

"Mila, would you be our Lucky Fairy for the raffle again?"

"Would you be our Lucky Fairy for the raffle again?"

And whoosh

Drawing the raffle tickets with closed eyes, so she can't see the number - no cheating!!

And we had a birthday boy! Petr turned 45!

Happy Birthday Dad!

We have great news!

We applied for funding through the Gold Coast City Council’s Divisional Donation Program (Division 13) and our application has been successful.

With this donation of \$1,598.00 we will be able to purchase the more economical hand dryers for our club instead of using the expensive paper towels, which will help us to save money in the future which we then can use to further improve our club house.

We the club, our president Roberta Raup, the committee and all members are very grateful for the ongoing support our club is receiving from our patron, Councillor Daphne McDonald.

Who Colour Coded Christmas

Ever wondered where the traditional colours of Christmas came from? Green, gold, white and red typically are attached to the festive season and each one of them hold a deep meaning of peace, love and life.

Green

Instantly recognisable on Christmas trees and decorations, green is well-known as the colour of Christmas. Evergreen plants including Mistletoe and fresh trees have been around for thousands of years, typically associated with a long dark winter – this colour is used to represent **hope and eternal life**.

Red

Typically seen in Santa’s bright red suit, candy canes or on Rudolph’s glowing nose, red is also interweaved into decorations like candles, wreaths and ribbons, representing **love, health and power**.

Gold

Representing all things good, gold is the colour of sun and light with a strong spiritual and powerful element. Placed on the top of the Christmas tree is a traditional gold star, shining the way to **positivity and light in love and eternal life**.

White

Fresh, pure and clean, white is often associated with **purity and peace** in western cultures. Typical for the Northern Hemisphere where they celebrate Christmas with snow, white also signifies a **new beginning of life** to those across the globe.

Celebrate the festive season by dressing in these traditional Christmas colours this Sunday!

Now, before I say goodbye mark the

17th of December in your calendar:

Our Carols by Candlelight! You will be entertained by

Reb Brunton & the “Singkreis”

Special guest artists and appearance by Santa Claus

Bring your kids and grandkids!

Starts at 6pm

See you this Sunday dressed in Christmas colours red and green or/and white and gold, if you like!
