Prost - Cheers!  
 O'zapft is! ('it's tapped')

After some great

**"Bayerische Schmankerl"** (Bavarian delicacies) like Oktoberfest Bratwurst, Leberkäs, potato salad and Sauerkraut you couldn't say no to our homemade cakes and tortes! Mmmh!!!

You might remember last year's  
Hammerschlagen

or Nail game competition,  
which has been great fun!

Günther  
explaining the problem!

This year, unfortunately it didn't go that well!  
We had the wrong wood (too hard) and the wrong nails (too soft and too long) which made it impossible for the participants, to get the nail in. We had to end it after some attempts without a winner. Sorry!!!!

Vikki

Jenny

Karin

Our girls  
in action!

As always  
a crowd  
pleaser!!!

See next how some of our audience handled the bells!

Jenny handing out the bells to some eager "Learners"!

After some instructions ....

.... they did a wonderful job, playing "Edelweiss" almost perfectly!

COMPETITION  
-TIME-

We also had  
an outdoor  
activity" ....

**Brez'n**  
pure bavarian

1. watch the line

2. compose yourself

.... our "Huge Brez'n" throwing  
competition!

The wind was  
blowing  
and that didn't  
make it easier!

3. aim

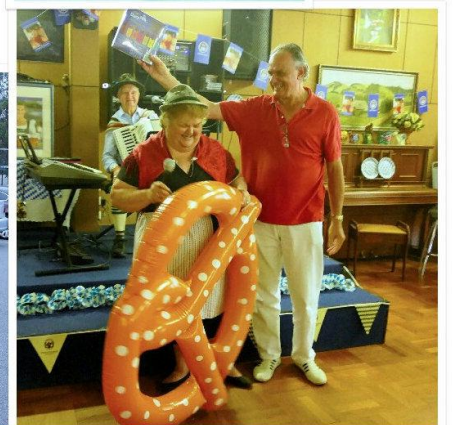

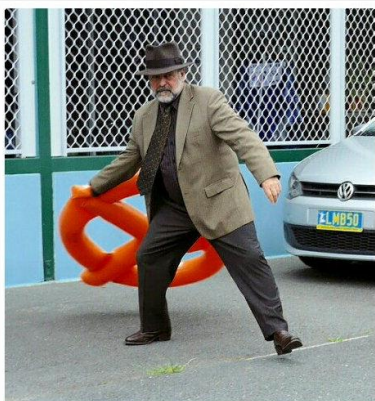

Allan asked for help from above  
and then from below without success !

4. throw

The winner is...

We had many competitors and at the end had a clear winner!  
But looking at the photo he might have had a bit of an advantage! Can you see why?

Then members of our Folk Dance Group performed the "Hat Dance" ...

... and believe me, it is harder than it looks, as the volunteers from the audience might have found out shortly after.

Some confusion,  
some misplaced hats,  
but a lot of fun!

"That's What It's All About"

Thank you all for your courage and making us laugh!

We all love the "Fliegerlied" – even some men came on the dancefloor to "fly" and "jump" and "swim".

WINNERS

01.10.2017

Joyce, a dear longtime member of our choir the SINGKREIS sent me this story for you to read!

"I went to German classes for many years, the first ones being at a Teachers' College in Brisbane that offered classes, with no academic credit, to mature age students.

My children had all done German at school, so I chose that. It was great. My daughter Janet married Lutz, a German chef who had wandered all the way to Noosa where she was teaching.

In 2001, my daughter Julie and I travelled to Europe. A highlight of the trip was a visit to Lutz' mother Ruth, and family in Hattingen/Bochum in the Ruhr district.

Ruth took us along to a luncheon gathering where the main activity was singing in German.

I loved it. We also went to church a couple of times and, there again, sang in German.

I was hooked. At the time I was "doing" German at U3A. I talked with the teacher about it all and she said she went walking with a friend who was in the Austrian Club choir. There was a concert coming up featuring a singing and dancing group from Austria so she took me along.

The friend was Paula Peterson, at the time a stalwart of the club. She in turn brought me along to choir. That must have been early 2002, when the choir met for practice in the little shed and the building was under construction.

And here I am, still at it and loving to sing in German.

And so grateful for the friendships made here.

So, really, Ruth is the reason for it all."

Thank you Joyce for sharing this with us!

Ruth, the birthday girl, who came to visit her family in Australia after 26 years!

That's it for now!  
Before I say goodbye, mark the  
22.10.2017 in your calendar for our  
**Pink Ribbon Breakfast.**

Starts at 9.00am

Be entertained by **Walter**

See you this Sunday,
