CITY OF
GOLDCOAST.

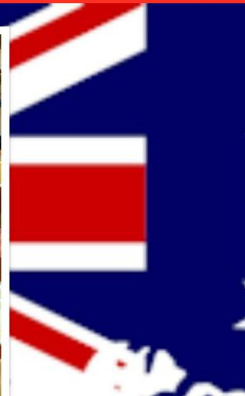

We have great news!

We applied for funding through the Gold Coast City Council's Divisional Donation Program (Division 13) and our application has been successful.

The majority of our members, visitors and Stock Sport players are seniors. The risk of a sudden cardiac arrest increases with age. With the generous donation of \$2.675 we will be able to purchase a **defibrillator**, which will help to make our club a safer place.

We the club, our president Roberta Raup, the committee and all members are very grateful for the ongoing support our club is receiving from our patron, Councillor Daphne McDonald.

The **Lamington** is often
referred to as the
"National Cake of Australia."

Australia and New Zealand
have shared rivalries for
years, and the **Pavlova's**
origin is another to add to
the list. Both countries
claim to have invented
the dish in honor of Russian
ballerina Anna Pavlova
when she visited Australasia
in the 1920s.

 with the help of the audience singing along!

Dagmar, our very talented MC had prepared:

- an old gramophone, playing an old Australian record
- some trivia questions about Australian history for the audience to answer

Oh my! What did I get myself into??!!

- recited a beautiful Australian poem
- had Paul from the German Club in Brisbane read a recipe with very special ingredients and asked that someone from the audience translate it simultaneously into German!

That has been fun!

Dagmar wasn't very keen to do it herself, but Rosemarie came to the rescue!

AUSSIE THONG THROWING CHAMPIONSHIP

Thong throwing is a noble sport believed to have stemmed from the convict era.

I did it!!!

In here!

Back then, convict players would throw their thongs at the guards. If they managed to score a direct hit to the head they'd be crowned the ultimate thong throwing champion.

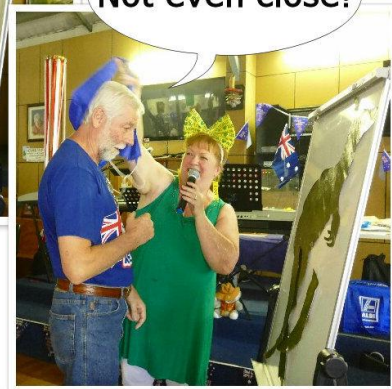

No conviction for Helga of course!

(and spend a year in solitary confinement).

Helga, the proud winner, carrying away her trophy, a huge thong!

Oh!
Not even close!

We gave this classic party game an Aussie spin by using a picture of a kangaroo.

Players took turns being blind folded, before trying to pin the tail on the kangaroo. Whoever is the closest is the winner! You will not believe who did it again!!!

It's all about concentration and focus!

Helga, the champion of the day!

She is a clever girl!
