Hi dear members and guests!

As you know, its spring time in Europe now and May is called the “Wonnemonat” (the blissful month). To me May means birds building their nests, the blossom of flowers, butterflies, sun, warmth, lilacs in bloom and their divine smell!!!. New green leaves on trees, new life and love is in the air.

Spring has always been the season I love most, a time for new adventure and new beginnings.

May is the perfect month to celebrate the person we all love from the beginning of our lives, our first friend, our best friend and our friend forever – our mother.

Mother’s Day has been last Sunday but you never can show your mum often enough how much you love her. Come with your mum and the whole family and friends

to celebrate Mother’s Day again with

the A2Z band

this Sunday!
