Hi dear members and guests!

The **Winter** season is here and we had the first chilly nights. I was looking for some nice quotes to welcome winter and that's what I found:

- The chill of winter is warmed by **family and friends** and gives us more reasons to **cuddle!**
- **Laughter** is the sun that drives winter from the human face
~Victor Hugo
- Cold days – **warm hearts!**
- One **kind word** can warm three winter months – Japanese proverb

So let's welcome

Winter this Sunday with **family and friends**, have a **cuddle**, **laugh a lot**, be **kind** to each other and it will **warm your heart!**

Dance, eat, drink, buy a raffle ticket and have fun! (I am not so sure about the snow though????)

Be entertained by our wonderful friend

FRITZ!
