# Masskrugstemmen

## BIER STEIN HOLDING CONTEST

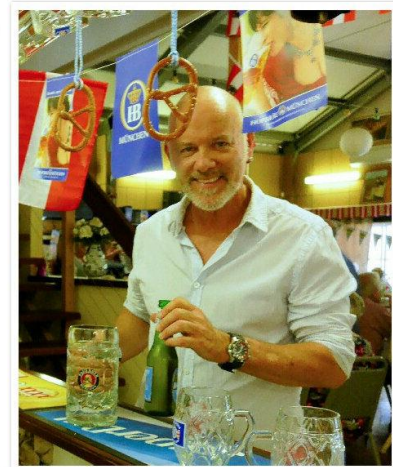

Steinholding is a traditional Bavarian strength contest in which competitors hold a full one-liter beer stein (or Masskrug/Mass in German) out in front of their bodies with a straight arm, parallel to the ground. You go as long as you can and the last man hoisting is the winner.

Thank you to all of you who took part at this fun competition. We had participants from all age groups – from very young to quite mature .... and ... more women than men!!!

ONLY THE STRONG  
SURVIVE

*Congratulations*

Patrick, the clear winner without any doubt! Look at his posture! Perfect!!!!  
And hats off to runner-up Rosemarie! Well done!!!

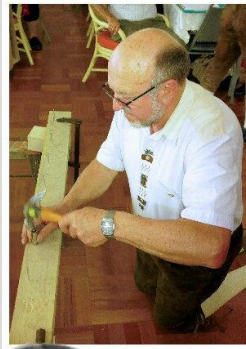

# Hammer-Schlagen

Round 1

Round 2 and finally

Round 4

16 players and 4 rounds of suspense and fun!

They all fought hard!

And the winner is ... Patrick did it again! Congratulations!

## Die lustigen Holzackerbuam

### The story!

The men are working hard chopping and sawing wood to the beat of the music. After the work is done the wives and Hans are cleaning the mess the men left behind!

This doesn't go well with his wife Christa and she has a plan.

But when Hans realizes, that his mates are having a good time, drinking beer, he leaves the girls to join his mates.

Christa fills the hat of Hans with saw dust and puts it on his head ... (I missed the moment with my camera)!

Everybody is cheering and laughing!

07 October 2018

And  
the  
Winner  
is...

In the women's league:  
DANA  
and  
In the men's league:  
CAMERON

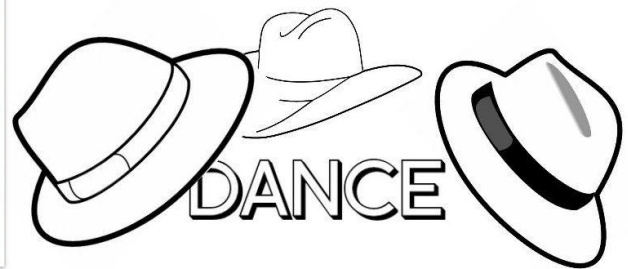

The BREZN  
throwing  
competition  
in full  
swing!

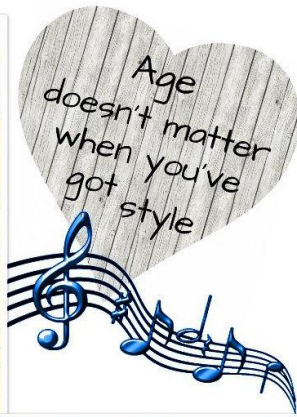

This has been really Fun !!!!!

Our dancers showed the audience how it is done!

Then it was their turn!  
Lots of laughter and confusion.  
It's not as easy as it looks!  
Well done!
