Hi dear members and guests!

Our **Herbstfest** is over (see all the photos about it further on) but obviously summer doesn't want to leave us. I wish it would be cooler! But winter will come and we will complain, that it is too cold.

I just feel so sorry for all the farmers and as we just came back from Tenterfield, I could see with my own eyes, how dry the land is.

You might wonder why I mention **Tenterfield**! A group of us went to their biennial **Beerfest** with a BAVARIAN brass band performing there last week and I just have to show you some photos at the end of this newsletter. It has been sooo much fun. This is also the reason, why the newsletter is a bit late this time! Sorry about that! We just came back home!

But you also can have lots of fun at our very own concert with the **KREUZBEG REBELLEN DUO** from **LOWER Austria**! Don't forget to buy your tickets – time is running out!

As you might know, I like colour!
it's time to get your **IRISH** on
and don your **green** for our

St Patrick's Day Luncheon

with the **Schneider Musikanten**
this Sunday!

I hope you are all coming (**dressed in green**)!

Tenterfield's Bavarian Music Festival & Beerfest - 06/03 – 09/03/2019

A celebration of German food, music and beer!

You may be wondering why a German-themed Beerfest would be held in the tiny northern NSW bush community of **Tenterfield**.

It all began as an idea between friends over a “bottle or two” of Schnapps in a pub in **Ottobeuren** in 1999.

A partnership deed was signed in 2002 to establish a friendship with the **Bavarian town of Ottobeuren**.

And now every two years **Tenterfield** hosts a brass band from their “**Partnerstadt**” **Ottobeuren**.

31 accomplished musicians performed this year all the old and new musical Folkfest classics for four days at different venues. The highlight of the band's visit was the **Beerfest** on Saturday night with around 500 visitors I have been told, at **Tenterfield's Memorial Hall**. It's the band's **10th biennial** visit.

Ottobeuren, Tenterfield's “**Partnerstadt**” with a population of little more than 8,000 people is situated at the **southern tip of Germany** (close to the **AUSTRIAN border!**) and is famous for its **Benedictine abbey** founded in 764, a jewel of German Baroque architecture, which stands surrounded by the alpine foothills of the **Allgäu region** (that's the area where I grew up!).

The **Rotary Club of Tenterfield** will donate all proceeds raised from the event to the Rural Fire Brigade. It's a huge sacrifice by volunteers to make this Beer-Fest happen. Hundreds of hours go into it. Visitors from Melbourne, Brisbane and the **Gold Coast** come to this event. We had an “**AUSTRIAN CLUB TABLE**” right in front of the band.

Thank you Karen for taking care of us. We will come again in two years' time and maybe bring more members and friends with us.

Our Bavarian friends leave behind memories of laughter and dance

Music and booze – the perfect combination! Prost – Cheers!

Thank you "boys and girls" from Ottobeuren and surroundings!
That's where I grew up - and I got a bit homesick!!!
You brought a lot of joy to all the visitors from near and far!
