**HAPPY BIRTHDAY 222 YEARS**

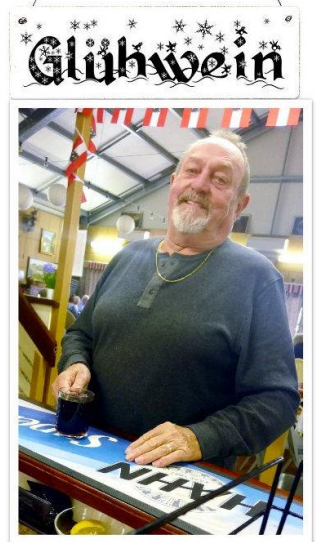

Can you believe that!! This 3 pretty wonderful girls turned 222!

**Congratulations**  
Roswitha, Aurelia and Chris!

Don't worry girls - Age is just a number: study proves you're only as old as you feel and I know that the three of you are as fit as a fiddle (or almost)!

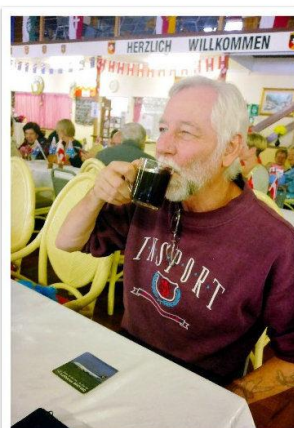

Everyone has heard of mulled wine and many have tried it. But very few people know where it came from or how it became so popular.

**Mulled wine** originated in the 2nd century. It was created by the Romans who would heat **wine** to defend their bodies against the cold winter. As the Romans conquered much of Europe throughout the next century, their love for **mulled wine** spread across their empire and the regions they traded with. Dec 22, 2015

I always knew that it is good for your health to have some Glühwein! Prost!!!

As its popularity continued to grow throughout the middle ages, Europeans would mix heated wine with spices because they believed it would promote health and avoid sickness. They would also use herbs and flowers as natural sweeteners to make unpalatable wines taste a lot nicer.

IN EINEM  
**Dirndl**  
IST JEDE  
FRAU SCHÖN

REAL MEN  
WEAR  
LEDERHOSEN

### What is a Dirndl?

What is a Dirndl? If you have seen the movie "The Sound of Music," you already know the basic elements that make up a Dirndl: skirt, bodice, apron and blouse. Simple, right? Far from it! There is a veritable science to Dirndl cuts, fabric patterns, colors and embroidery.

The Dirndl is fun, feminine and flirty. With these attributes, the Dirndl has evolved from its humble origins as the work-garb of farmers to a modern-day fashion superstar.

Thank you to "our models" Anita, Anneliese, Siegi, Leonie and of course our boys Lothar and Fritz (Nev) for showing the world (or at least the Gold Coast) how beautiful our Tracht is.

Flotte Buam  
and  
fesche Madln!

The **Lederhosen**, which are said to have emerged in the Alpine regions of Germany and Austria, were the trousers of the working peasant community - they were sturdy and held up to the rigorous work of the time.

Glühwein Festival on the 02/06/2019

I am not sure if all of you are aware that our FRITZ (alias NEV) wears many hats:

- Of course he entertains us at many luncheons with his wonderful music
- He is the other half of the SCHNEIDER MUSIKANTEN

What would we do without him!

- He comes down from Brisbane every Tuesday to accompany
  - o our choir
  - o our folk dance group and
  - o our bell ringers
