From the President's Desk

Liebe Mitglieder,

Welcome to a brand new club year 2024 and I hope everyone had an enjoyable time over the festive season. The club over the summer presented some great and successful functions namely the Christmamas Party 2023, New Years Eve, the Frühschoppen in January and the first Live Music Night in February. Thank you for your wonderful support and to help the club enjoy a wonderful start for 2024. We hope this momentum will continue throughout the year.

We wish our hard working 1st secretary Sybille a speedy recovery from surgery and we look forward to see her back with us in the near future. Sybille is still looking after bookings so ring her on 0427 234 350 and wish her well!

Our long standing Austrian Keglers group have decided to not to continue in 2024 due to lack of team players. For many years this group represented the club winning many championships along the way and even got themselves into the "S.A. Bowling Hall of Fame" for the amount of times they entered the annual state championship. We wish to acknowledge all past and present players for their wonderful contribution they made to this group and I am sure there will be fond memories from years gone past. Congratulations to you all!

Also missing from this year's program is our monthly "Filmnachmittag" which has been running for several years now. It has stopped due to low attendances. We wish to thank Franz Tomasin and his team of supporters for their wonderful efforts to present these enjoyable afternoons. These afternoons will be missed.

The club is always open to new groups and ideas so if you have something in mind please let us know!

... to be continued on page 5

In March I have been invited to attend The Austrian Club Melbourne 80th birthday celebrations and I will extend our best wishes to their president Fritz Reiterer for their wonderful achievement.

Our 2024 club program is now in full swing so do not stay at home, come in and enjoy some happy hours at the club.

Do not forget that on Friday nights we are open for great meals and full bar service so we would love to see you. Please book with Sybille.

Table Tennis & Dart Group

Dear Friends of the Table Tennis and Dart Group!

We hope that all our members had enjoyed a healthy Christmas and New Year. I am very pleased to say that our group has done really well. We have 25 players.

We would like to welcome Mr. Antonie Wissenburg (Wizzy), who has recently joined our group.

On the 5th December 2023, our group had their breakup luncheon. This was their last day for 2023.

We started again on Tuesday 6th February 2024 with 23 players.

The members of the Table Tennis and Dart group would like to thank the Austrian Association for approving and paying for a foldable billiard table.

New Table Tennis players are always welcome, it is a physical fitness sport which can be enjoyed by old and young alike. It does not matter if you are a beginner or an advanced player.

We play every Tuesday afternoon from 1pm to 3pm.

My phone number is 8395 0137 or 0422 086 404

Seniors Group

Liebe Mitglieder!

After a long pause we met again on February 8th.

We all had a lot to talk about that nobody was interested in playing games or cards.

As usual we all enjoyed home made cakes and a good cup of coffee. One of our Members (Erika) has a cousin here from Germany (Bodensee) who is having a wonderful time here, especially the warm weather and the beautiful places to visit. We hope she comes back again one day.

We are looking forward to an enjoyable year with our Members but are in need for more people to join us .We meet every other Thursday 10am to 2pm in the Club Cellar.

Until next time!

Liebe Mitglieder, liebe Freunde von Radio Austria 4!

It is pleasing to see our Thursday afternoon programs from 4pm to 5pm have been well received by our listeners.

Herbert, with the help of our members, produced once again a very enjoyable Christmas Eve program that went to air in the morning of Sunday 24.12.2023. Also, thanks to Herbert, we have an amazing website www.radioaustria4.com where you can see everything from our history to special events. And if you miss a program on the day you can listen to it on the website.

Thanks to Margarita, our newest member of RA4, you can hear some very informative and enjoyable programs on Thursday afternoons.

Sabine is still on special leave; we hope she will soon return to produce and present more interesting programs on Thursday afternoons.
